

Bertha Boswell

Dec. 27, 1908 - Feb. 14, 2006

Bertha Boswell of Enderby was in her 97th year when she passed away.

She bequeathed a gift of \$82,600 to Shuswap Community Foundation and asked that this money be endowed in the Wainwright-Mobley Memorial Fund.

Bertha enjoyed listening to music, gardening (both vegetable and flower), sewing & knitting, cooking & baking especially for special family occasions. She was a cook at the Princeton Hospital for 24 years.

Bertha did a lot of travelling with late husband, Rex. She had strong family ties and liked to keep in touch with all her family members and friends. Bertha was a Life Member of the Order of the Eastern Star.

In making her gift to Shuswap Community Foundation she hopes to give children and youth a helping hand toward their futures.
