

**Robert William Griffiths**  
April 13, 1935 - August 19, 2002

Bob Griffiths was born in Saskatoon, but moved as a young man to the West Coast. He and Norma and three children lived in Richmond for most of Bob's working life. He took early retirement from CP (Canadian) Airlines in the mid 1980s, and bought a small farm on Chase Creek near Pillar Lake.

Bob and Norma both played a very active role in the life of the Falkland Community. But more than that, Bob contributed enormously to the Columbia Shuswap Regional District.

Although it necessitated driving daily to Salmon Arm, Bob served as the CSRD's Economic Development Commissioner for several years between 1990 and 1997. He was a long time Board Member and Chair of the Community Futures Development Corporation of the Shuswap, and also served as a volunteer on the Board of the Shuswap Training Society. Bob had a special interest in rural development, and worked hard to support agricultural interests in our area.
