

**David Lloyd Walters**  
July 7, 1966 - November 7, 2003

Born and raised in Salmon Arm, Dave was a teacher much respected by his students in Salmon Arm and Enderby.

Dave's greatest love was soccer. The participation rate in youth soccer in the Shuswap is the highest in the Province—an achievement for which Dave Walters gets a great deal of credit.

Dave's memorial service was overwhelming. Hundreds of friends and colleagues were joined by many young soccer teams in uniform, paying tribute to a selfless, giving individual.

While on his way to visit a new nephew in Red Deer, Dave died in Roger's Pass, a passenger in a vehicle struck by an impaired driver.

Please direct any contributions to youth soccer in the Shuswap to the Foundation.
